

CorrosionX Xtreme Clean

Product Description

Xtreme Clean is an all-purpose, water soluble, biodegradable, non-flammable, non-corrosive, non-toxic, heavy duty cleaning concentrate and degreaser for jobs of all kinds.

Non-corrosive and earth-friendly, Xtreme Clean is the environmentally-friendly way to keep your equipment squeaky clean!

Xtreme Clean is safe to use on all painted surfaces, metals, stone and concrete, electrical insulation and plastic surfaces.

- A powerful cleaner and degreaser that's gentle on all surfaces – even natural and sensitive ones
- Removes bug splats, bird bombs, tree sap, road tar and general dirt and grime
- Safe to use on exotic materials such as carbon fibre, magnesium, etc.
- Quickly breaks down carbon and exhaust soot
- Cuts through tough road and industrial grime
- Brightens paint
- Inhibits rust and corrosion
- Neutralizes acids

Xtreme Clean is safe to use on all painted surfaces, metals, stone and concrete, electrical insulation, rubber and plastic surfaces.

Application Suggestion

- Steam Cleaning
- Black streaks
- Pressure Washing
- Brake Dust
- Grease & Oil
- Truck Wash
- Aircraft surface cleaning
- Exhaust soot
- Tool and implement cleaning

Direction of use

General Cleaning: May be diluted with up to 20 parts water to 1 part Xtreme Clean depending on the application. Xtreme Clean can also be used full strength for stubborn stains, dirt and grime. Can be applied with a sponge, rag, brush or sprayer. Rinse and let dry.

Steam Cleaning: Prepare a solution with a 60:1 ratio of water to Xtreme Clean. Heavy degreasing may require a lower dilution ratio.

Safety brief / precautions
